If you have a food allergy or intolerance please let us know before ordering.

Although we take all reasonable precautions to prevent cross contamination of allergens, this is not always possible as we handle and prepare a variety of open foods that contain allergens.

La Trattoria was opened by Gerry and Louise Forte in 1970 and since then taken forward by Bruno and Ana-Maria Forte.

The restaurant is still in the Forte's ownership and many of our dishes are created from family favourites. Our menu below is simple, yet delicious. Don't forget to see our daily specials for fish, seafood and steak options.

Our team looks forward to welcoming you whether it is your first visit or if you are one of our many returning regular customers.
